

CD Booklet

Set document size to 4.75 wide x 4.719 tall

Facing pages

Set Bleed: 1/8" (.125")

Avoid using Illustrator or Photoshop
for page layout
because you can't do printer spreads

Use only CMYK or greyscale.

Maintain 350 ppi resolution.

You may want to use the
4 panel insert template for the
outside front cover/back cover spread
and then insert place holders
in this document to maintain
pagination and printer spreads.

Prepress Instructions:

HIDE THIS TEMPLATE before submitting

Delete unused colors, layers and objects

Preflight before creating PDF

Output TWO PDFs

1. Production PDF saved as PRINTER SPREADS with

bleeds and printer marks

2. Reference PDF saved as READER SPREADS to show page order.
